

4.2. CAEP Accountability Measures for EPP Advanced Programs [2023-2024 Academic Year]

CAEP 4.2, Measure 3 - Candidate Competency at Completion: Data provided should relate to measures the EPP is using to determine if candidates are meeting program expectations and ready to be recommended for licensure.

For the SC State University Advanced Programs, the following data is provided for CAEP 4.2, Measures 3.

Data reflecting the ability of EPP Advanced Candidates to meet licensing and state requirements:

Total Number of Advanced Candidates who Passed PRAXIS for Certification = 10 Candidates
