

Student Life & Leadership

300 College Street, NE
P.O. Box 7177
Orangeburg, SC 29117-0001

| Organization | Offense | Action |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Beta Delta Chapter: Alpha Phi Alpha Fraternity, Inc. | Accused of committing an act of discrimination during the application process was reported by an individual student anonymously. | National Office conducted internal investigation and the office of student life reviewed organization's guidelines and application process, and the National Office found that no fraternal policy was violated. |
| Alpha Xi Chapter: Delta Sigma Theta Sorority, Inc. | A hazing incident was reported to the university police department by the phone call. | University Police investigated and found no act of hazing was done, however, there were some miscommunications among the sorority members which were handled during a meeting with advisory team and university police. The cease & desist was lifted and all privileges were returned to the organization. |
